

## **Vehicle Registration on Redstone**

If you are authorized to enter Redstone Arsenal in an unaccompanied status (as either retired military, active duty military, current DoD Civilian, current DoD contractor, military family member), you may get a vehicle sticker that will preclude your entering through the Visitor Center each time you come to Redstone.

You will need either a Civilian Access Card (CAC) or military ID, driver's license, current vehicle registration, and current proof of insurance. The Vehicle Registration Office is located at Building 3423 Gray Road. It is open Monday – Friday from 0700 to 1600. Phone number is 876-5770.
